General Information for parents:

The children's program runs from 9:00 until 12:30, or the end of the final morning session. At the start of the day please endeavor to have your children to us from between 8:30 and 8:50 so we can check them in and begin on time. On the first day there will be a lot of parents trying to find their way and register with this form, please allow extra time for this. After the morning sessions please *promptly* return to collect your children so that leaders who have been serving you all morning can either go home for some rest or join the crowds for some fellowship.

Morning tea will be provided for the Junior NBF separately from the rest of the delegates to fit in with our own schedule. We would appreciate if parents did not take their children away for morning tea as this will disrupt our schedule and the children's general level of "settledness".

Please bring completed form with you when leaving your children as it will save much time at the sign-in process.

Thank you and see you soon!
